Friday 17th October 2025

Dear Parents/Carers,

Please see attached the details of our after school clubs which can be booked for the second half of the Autumn Term 2025. Once again, after school clubs are only available for children in Year 1 to Year 6; children in Reception will have an opportunity to choose an after school club in the Spring Term once they have settled into school. Clubs will run for **5 weeks starting immediately after half term from the week beginning 3rd November to the week ending Friday 5th December 2025, with the exception of WMTC.** Towards the end of the Autumn term, we will share information about clubs for the first half of the Spring Term.

Booking and club arrangements:

- All clubs must be booked by returning the attached form to the School Office by Wednesday 22nd October 2025 so that places can be allocated.
- Parents and carers will be notified if there is not a space available in a club and an alternative offered, if possible. If a place has been allocated, a payment item will be available to view by Friday 24th October.
- As places on a most clubs are limited, payment must be made in order to secure the booking. If payment is not made, the place will be unavailable at the club and may be offered to another child.
- Unfortunately, once booked and paid for, club bookings are not refundable and if a child is signed up for a club, we do ask for commitment to this for the half term, other than in exceptional circumstances.
- All after school clubs will run until **4.15pm** and children should be collected from the playground at this time, unless they are attending after school care following the activity.
- For children in WMTC, there will only be one club after half term as the performances take place during the second week. If children currently involved with WMTC would like to sign up for the remaining 4 weeks of the Wednesday club, this can be done at a reduced cost which takes account of the number of weeks (please indicate this on the form).
- If, once a place is secured, your child is unable to attend a club one evening for any reason, please ensure that this is communicated with the class teacher or school office as soon as possible.
- Children attending sporting clubs should bring either their school PE kit or a change of clothes in order to be able to participate fully.
- As they are expected to do so in school, children attending after school clubs are expected to show our values towards the staff who run clubs and make positive choices of behaviour. This is so that all children can enjoy this experience fully. If we become concerned about the behaviour during a club, we will contact parents and carers to agree a way forward.

Please also see the upcoming events from Delta Sports and Coaching who run our after school care club; they have lots of exciting events on offer which may be of interest to your child, even if childcare itself is not something you require at present. If this is something you are interested in, please contact Mrs Stewart in the school office.

Thank you in advance,

Mrs Shaw
