Wednesday 9th September 2026

Dear Parents/Carers,

Please see attached the details of our after school clubs which can be booked for the first half of the Autumn Term 2026. Although after school clubs are only available for children in Year 1 to Year 6, children in Reception will have an opportunity to choose an after school club in the Spring Term once they have settled into school. However, you will notice that Mrs Beattie is running a club during lunchtime on a Monday for younger children this half term.

Clubs will run for **5 weeks, from the week beginning 14th September 2026 to the week beginning 12th October 2026, with the exception of cookery on a Wednesday which will start on 23rd October and will run for 4 weeks.** Towards the end of the first half of the Autumn term, we will share information about clubs for the second half of the Autumn term.

As club booking arrangements have changed, please read the information below carefully.

Cookery:

*Cookery club will be open to children in **Years 1, 2 and 3**. This takes place in school but is run by an external provider, Emma Hall at Pudding and Pie. This club is bookable directly with her from 8.00pm on Thursday 10th September; please find details of how to do this on the separate letter also sent today.*

Four Square:

This is a fast-paced, highly engaging playground game that keeps children active and teaches quick reflexes, spatial awareness, and good sportsmanship.

The game is played with a standard bouncy playground ball on a grid of four connected squares. Each player guards their own square, bouncing the ball underhand into a rival's section.

WMTC:

This club will continue for children who will be performing in this year's show and who have previously signed up. The club will run up until the week of the show unless Mrs Hedges communicates otherwise.

Mini-Makers:

This club will involve being creative, undertaking projects such as bridge building, inventing, team challenges, junk modelling etc.

Touch Rugby:

This new club will be run by Rugby All-Stars and is open to boys and girls of all abilities from Year 1 to Year 6. Booking and payment should be made directly through their booking system – details on the flyer accompanying this letter.

Film/Book:

Children will enjoy exploring exciting books and films and undertaking lots of activities related to these.

Bench Ball:

This is a fast-paced, high-energy team game which combines the skills of dodgeball, netball, and basketball, focusing on teamwork, throwing accuracy and catching skills, hand-eye coordination, communication and inclusive team play, as the game requires contributions from every player to win.

Booking and club arrangements:

- All school-run clubs must be **booked and paid for through Arbor using the parent app.**
- Cookery club and Touch Rugby club must be booked and paid for directly with the providers – details attached.
- Club bookings will **'go live' at 8.00pm on Thursday 10th September 2026**
- **Places at clubs are limited**, so once a club has been chosen, **payment must be made immediately** to secure the place. If payment is not made, the place will be unavailable at the club and may be offered to another child.
- All clubs are on a first-come, first-served basis. However, if your child is not successful in gaining a place at a club in the first half of term, they will have priority in the second half.
- Unfortunately, once booked and paid for, **club bookings are not refundable** and if a child is signed up for a club, we do ask for commitment to this for the half term, other than in exceptional circumstances.
- All after school **clubs will run until 4.15pm** and children should be collected from the playground at this time, unless they are attending after school care following the activity.
- If, once a place is secured, your child is unable to attend a club one evening for any reason, please ensure that this is communicated with the class teacher or school office as soon as possible.
- Children attending **sporting clubs should bring either their school PE kit or a change of clothes** in order to be able to participate fully, especially if a club is taking place on the school field.
- As they are expected to do so in school, children attending after school clubs are expected to show our values towards the staff who run clubs and **make positive choices of behaviour**. This is so that all children can enjoy this experience fully. If we become concerned about the behaviour during a club, we will contact parents and carers to agree a way forward.

As always, after school care is available from the end of the school day until 6.00pm every day. Children who attend this club enjoy a range of activities including sporting activities, time on the adventure playground, crafts, cooking, puzzles and much more. If this is something you are interested in, please contact Mrs Stewart in the school office.

Thank you in advance,

Mrs Shaw
