Thursday 17th September 2026

Worcester Parkway

Dear

I am delighted that your child, x, has been chosen to be Head Boy/Head Girl for the 2026-2027 academic year and look forward to watching as they both develop the role and represent the school.

To that end, you may recall that Himbleton was one of four schools who took part in creating designs for a new Worcestershire Parkway Eco Area last year, working with a representative from the Bee Friendly Trust to create designs which have been transferred to wooden benches, information panels and decorative boards on display throughout the site.

We have been invited to attend the opening event which will take place next Thursday, 24th September at Worcestershire Parkway and therefore would like *your child* to attend in their new role as *Head Boy/Head Girl to represent the school.

The children will be travelling to and from the event in a taxi with me, leaving after the school day has started and arriving back in time for lunch. They will need to bring a named water bottle and be dressed in full, correct winter uniform for this day (although may wish to bring summer uniform to change into when they return). We have also been informed that a photographer will be present on the day to capture photos/video/quotes from the children to be used in social media/press release and literature, obviously with permission from the school and parents.

Please can you let me know if you are happy for *your child* to attend *his/her first event representing Himbleton CE Primary School in *his/her role as *Head Boy/Head Girl and if you are happy for your child to appear in social media and press releases related to this event.

If you have any questions regarding the event, please do not hesitate to contact me,

With best wishes,
