

Himbleton CE First School Overview of the Primary Curriculum

Based on the National Curriculum

These jigsaws provide an outline of the content of the National Curriculum from September 2014.

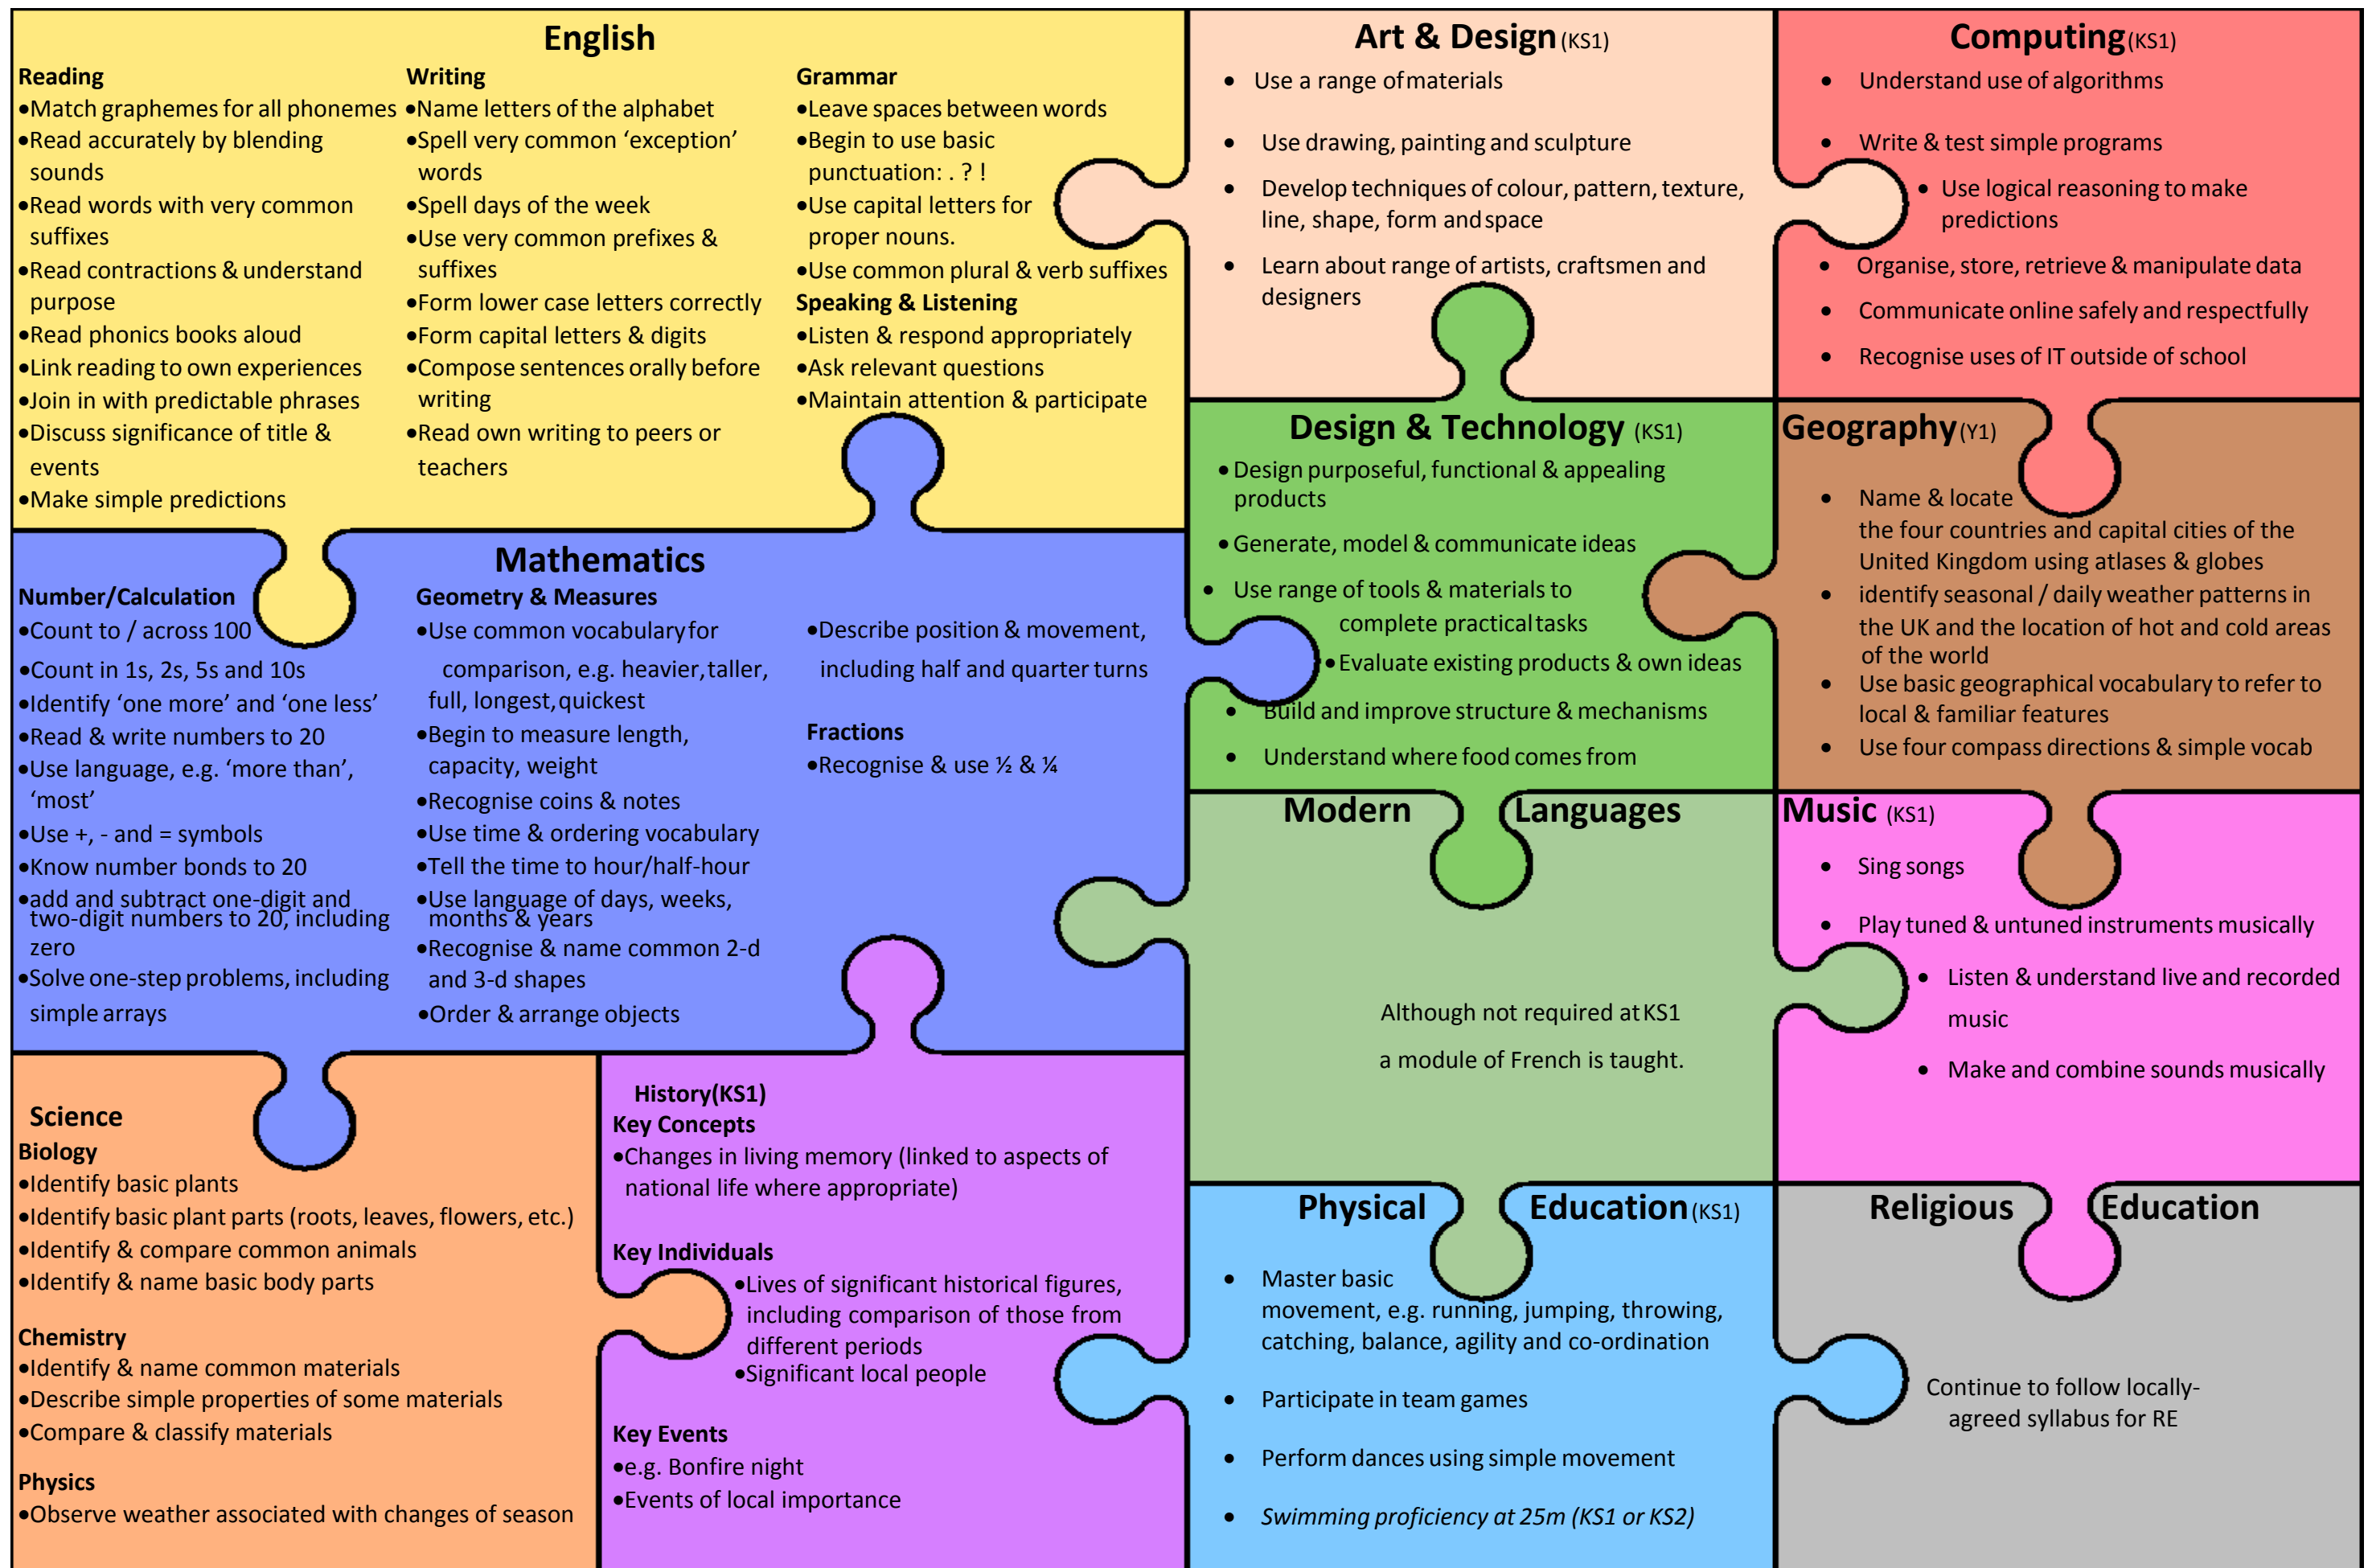

Core subjects (English, Maths & Science) are presented in a year-by-year format, based on the outlines given in the National Curriculum. History is also presented in this format, based on a suggested programme. It should be noted that it is only statutorily required to cover each Key Stage's content by the end of the keystage. As we have a mixed age Year 1 & Year 2 class (Keystage 1) and a mixed Year 3 & Year 4 class (Keystage 2) we will be running a two year rolling programme to ensure all aspects of the subjects are taught within the correct Keystage. Although we only have pupils until Year 4 we have published the Year 5 jigsaw for your information.
